Eligibility Questions

Can I please ask you a few questions to see if you are eligible to have a free health check?

The programme is to target people who may be at risk of developing heart disease, stroke, type 2 diabetes, or kidney disease.

There are several factors set by the Department of Health that you will need to fulfil in order to have a health check.

If you do not meet the criteria to have a health check today, then we will be happy to check your blood pressure for you. Should you have any concerns please make an appointment with your GP.
